

BIG BEND COMMUNITY COLLEGE (BBCC)

COMMERCIAL PILOT PROGRAM

APPROXIMATE COSTS PER QUARTER

BASED ON AVERAGE FLIGHT TIMES (NOT MINIMUM)

AND COMPLETION OF THE AA&S TRANSFER DEGREE

This sheet will give you an idea of the cost to attend the Big Bend Community College Flight Program. It is designed to show the average cost of the program (not minimum) and assumes that you will be completing the AA&S transfer degree. The cost also assumes that you will live in the college dormitories and will eat in the college cafeteria. **Out of state students should add approximately \$190 per quarter and international students should add \$1981 per quarter for tuition expenses.** Because it would be possible to start the program and then be unable to finish due to lack of funds, it is suggested that you fill in the "source of funds" column for your seven quarters to complete, so plan on at least one summer quarter.

Fall Qtr-1st year		Source of Funds	Second Year	Source of Funds
Tuition	1041.20	_____	Tuition	1041.20 _____
Textbooks	405.00	_____	Textbooks	350.00 _____

\$26,507.40			\$26,601.40	

Total Program Cost Estimate **\$53,109**

This document was updated 4-1-2009 and is intended to help you plan for the 2009-2010 school year. **All information is approximate, and is subject to change without notice.** While summers are optional, most students find it necessary to attend at least one. Students who attend both summers usually complete the Commercial/ Instrument certificate and add the Flight Instructor certificate, or an additional rating such as Multi-engine or Seaplane.

Additional Time and Ratings (Based on approximate Minimum times)

Multi Engine (Travelair) **\$3300** CFI (15 hrs. B19 Beech & Citabria, 5 hrs. Bonanza) **\$3870** Seaplane-Cessna 180 (10 hours) **\$2550**
