

# *Earn your Commercial Pilot Certificate with Instrument Rating and acquire an Associate Degree at BBCC in Moses Lake, Wash.*

FedEx, the world's largest express transportation company, donated a Boeing 727-100 freighter to BBCC in 2007. It will be used to provide hands-on educational experiences for students enrolled in the Commercial Pilot program.

In 2006, BBCC added two new Piper Warrior III aircraft with state-of-the-art glass cockpits for pilot training to its existing fleet of 23 aircraft.
